

## **Aristocrat's Mission: Impossible Slot Hits For \$259,428.57 At Spotlight 29 Casino**

### ***Jackpot Comes Just Days After Aristocrat's Tarzan® Lord of the Jungle™ Slot Hits at Same Casino***

LAS VEGAS (September 12, 2011) – Just days after a lucky player hit the grand jackpot on Aristocrat's *Tarzan® Lord of the Jungle™* slot game, another lucky player has hit the grand jackpot on Aristocrat's new *Mission: Impossible* slot for \$259,428.57! Both wins occurred at Spotlight 29 Casino in Coachella, Calif.

The new *Mission: Impossible* video slot game, recently released in the Southern California market and now in wide release, is every bit as fun and entertaining as the film that inspired it.

*Mission: Impossible's* grand jackpot is linked to Aristocrat's extremely popular *Tarzan Lord of the Jungle* slot, meaning there is a greater potential for more frequent grand jackpots hits.

"We are very excited to have these two incredible jackpots coming so close together on two different games," said Aristocrat V.P. of Gaming Operations Dallas Orchard. "Our mission was to create great games that players love to play and operators love to have on their floors."

*Mission: Impossible* is a daring adventure from the first spin with players searching for the wide area progressive jackpot and its \$250,000.00 top award. There are also three local area progressive jackpots and six pulse-pounding bonus features.

The action of the legendary film series is perfectly captured in the *Mission: Impossible* slot and plays out larger-than-life on Aristocrat's award-winning *VERVEhd™* cabinet. The cabinet has player-adjustable 3D panoramic digital audio and Aristocrat's *GEN7X™* platform with high def graphics.

Aristocrat Technologies Inc. is a subsidiary of Aristocrat Leisure Limited (ASX: ALL), a leading global provider of gaming solutions.
