

ARISTOCRAT ASKS THE GAMING INDUSTRY:
“ARE YOU READY FOR AWARD-WINNING CABINETS...”

LAS VEGAS (October 12, 2010) – Are you ready to re-think everything you thought a cabinet could bring to the gaming experience? [Aristocrat Technologies](http://www.arestocrat.com) is (www.arestocrat.com). For the past year, Aristocrat has been building for the future, and now the company is building momentum. In booth #1210 at the upcoming [Global Gaming Expo](#), Aristocrat will be showing three innovative new cabinets, including the artfully-designed and award-winning VERVE *hd*TM, the large-screen sensation VIRIDIANTM WS and the slim and ergonomic ViiTM Slant.

“This is absolutely the most exciting G2E lineup Aristocrat has had in 10 years. Attendees will clearly and quickly see that this is a year for genuine forward thinking that delivers real results,” said Aristocrat President Nick Khin. “I have no doubt that after taking just one glance at VERVE *hd*, VIRIDIAN WS and Vii, attendees will be impressed with the overall design, presentation and use of leading edge technology such as our new full color NteractiveTM LCD buttons.”

Selected as one of the Top 20 Most Innovative Gaming Technology by *Casino Journal*, VERVE *hd* is a sleek, cool, dynamic revolution in slot cabinets. The modular and operator-efficient cabinet is available in two configurations: 2 x 21.5” LCD and 31.5” portrait LCD. VERVE *hd* is equipped with features that the next generation of cabinets should have, including:

- Dual 22” widescreen with dynamic LCD programmable Nteractive button deck
- High definition (1920x1080) graphics
- 3D panoramic digital audio with player-adjustable sound
- Interactive edge lighting
- Durable, low maintenance surfaces
- Ergonomic design

The VIRIDIAN WS runs on Aristocrat’s powerful GEN7TM platform and gives players an amazing new gaming experience improved ergonomics, easier accessibility and larger screens. VIRIDIAN WS is powerfully equipped with features, including:

- High resolution recessed 22” LCD Monitors
- New easier-to-reach card reader location
- New 13 button low profile button panel
- Exciting new LCD programmable Nteractive button technology
- Reduced belly area for improved leg room
- New upgraded sound system and speaker location for improved quality

The Vii Slant is slimmer by four inches, giving operators a sleeker fit to their slot floor layout, and the Vii slant was built with a reduced height to improve line of sight across casino floor. Other features include:

- High resolution 22” LCD monitors
- Convenient player tracking located below main LCD
- Improved leather texture finish

- New 13 button panel
- Improved LCD angle to reduce glare
- Speakers, BNA and printer below main LCD with improved sound

In addition to VERVE *hd*, VIRIDIAN WS and Vii, at G2E 2010 Aristocrat will be revealing new math models, new and innovative game play, more than 230 games, and exciting new modules for the Oasis 360™ system.
