

Las Vegas, March 27th, 2009

Las Vegas local wins \$50,000 playing Aristocrat's Zorro™ at Arizona Charlie's Decatur

Woman Becomes Ninth Winner At Arizona Charlie's
Since Zorro Began To Leave His Mark

Zorro™ left his mark on a local Las Vegas woman's bank account when she won a \$50,000.00 jackpot playing Aristocrat Technologies' Zorro penny slot at Arizona Charlie's Decatur Casino and Hotel in Las Vegas.

The Texas native turn Las Vegas local became the third player in less than a year's time to hit the Zorro jackpot and the ninth Zorro winner at Arizona Charlie's since 2007. No other casino in Las Vegas or in all of Nevada can boast such a high hit frequency for the Zorro game. The player said she had invested about \$100 before winning the \$50,000.00 jackpot.

Arizona Charlie's Decatur Director of Slot Operations Jimmy Pelletier said, "Zorro has definitely left his mark on our casino! Our players love the game, and when so many of them have won the jackpot, it's easy to see why!"
