

Aristocrat's legendary 50 Lions™ slot game launches on European online casinos

9 August 2011

Aristocrat Leisure Limited (ASX: ALL) has launched its hugely popular 50 Lions™ slot game on European online casinos, the first in a series of Aristocrat's slot games that will be launched in conjunction with GameAccount Network this year.

50 Lions™ will debut initially on two online casinos with more coming shortly after.

The African themed 50 Lions™ has already proven a high performer in all key land-based jurisdictions and now the game has been optimised for play online at www.moneygaming.com and www.gentinggames.co.uk.

Gillian Findlay, General Manager – Group Strategy & Online for Aristocrat, said 50 Lions™ has been a favourite in casinos globally and is ideally suited to online play.

"Aristocrat will be launching its most popular and top performing titles through GameAccount Network to bring the true casino slot experience to online players," she said

"50 Lions™ is the first and will soon be followed by more renowned games, including Sun & Moon™, 5 Dragons™ and More Chilli™."

Aristocrat announced an online content distribution agreement with GameAccount Network earlier this year.
