

ARISTOCRAT'S VIRIDIAN™ CABINET STARS AT AHA (NSW) AWARDS

3 December 2009

The Australian Hotels Association (NSW) has awarded Aristocrat's Viridian™ GEN7™ cabinet as its Gaming Product of the Year for 2009.

The award was presented to Aristocrat at the 2009 AHA Awards for Excellence on Monday 30 November.

Mr Trevor Croker, Managing Director Australia and New Zealand (elect), said "We are delighted with the prestigious award by the AHA of our marquee Viridian GEN7 cabinet and that our home grown product has attracted the attention of our hotel customers and is delivering great results for their operations."

The Viridian is a new generation in gaming machine cabinets which maximises player comfort and features high resolution dual LCD monitors. The increased capability of the GEN7 platform provides Aristocrat with the ability to use more innovative concepts as seen in games such as Jaws™, Hit The Heights™, Hill Billions™ and a library of new releases.

Mr Croker added "We are very pleased with the game performance on the Viridian cabinet and the game experience it has created."
