

ARISTOCRAT HELPS CASINOS BUILD FOR THE FUTURE AT G2E 2009

LAS VEGAS (November 10, 2009) – Leading games and systems supplier, Aristocrat Technologies, will help casinos build for the future at G2E 2009 showing more than 220 games, including a number of exciting new titles, innovative stepper products and new features on its Oasis™ system. Aristocrat President Nick Khin gave a video guided tour of the new products.

First, players will be racing to casinos in a run for the roses on Aristocrat's new *Kentucky Derby™ RFX™* stepper linked progressive product. The 5-reel RFX stepper is the first officially licensed Kentucky Derby theme game, and brings with it 135 years of brand recognition.

Jeff Foxworthy's™ Redneck Rumble™ is Aristocrat's newest Triple Standalone Progressive. The 5-reel video slot game allows players to win one of three progressive jackpots, free games and credits in the second screen bonus features.

Aristocrat's new and innovative GEN7™ linked progressive product is *Beat the Bandits™*, a three-level progressive jackpot that leads players through a two-stage event in order to win the jackpots.

Beijing Bonanza™ is Aristocrat's first GEN7 Connected Gaming product. It creates an exciting community gaming experience that includes a tournament feature where players compete against each other and a free games bonus that is awarded to all players on the bank.

Xtra Reel Power™ is now coming to the VIRIDIAN™ RFX 5-reel stepper, and is a brand new game category on a 4x5 reel stepper. Its unique combination gives players up to 1,024 ways to win with every spin with a 40 credit minimum bet to cover all reels.

Aristocrat will also be showing proven performers like *JAWS™* and the new *JAWS Night Hunter™*, *Hit the Heights™*, *The Sopranos™ Video DSAP*, *Mega Million\$er™*, *FA FA FA Fortune King™* and *GEN7 Xtreme Mystery™*. New standalone GEN7 video products include *Jackpot Royale™*, *Player's World Ultimate™* and *Player's World By Demand™*.

New standalone stepper products include the 5-reel Triple Standalone Progressives *Hillbillions™* and *Trophy of Olympus™*. Three-Reel RFX Stepper titles include *Pow-Tastic 7s™*, *Same Way Sevens™* and *Skin Deep Cherries™*.

Fueled by the power of Ethernet is Oasis 360™, which gives operators the most in-depth player profile ever and the freedom, flexibility and strength to customize the system to

best meet individual property's needs. Aristocrat will be showcasing Oasis' new approach to bonusing, and revenue generation in Oasis 360 version 11.6.2, SpeedMedia™ 1.4, QuickFunds™ and more.

Aristocrat will be in booth #1206. Aristocrat Technologies Inc. is the U.S. subsidiary of global gaming leader Aristocrat Leisure Limited. Aristocrat Technologies designs and markets gaming machines, progressive systems and the Oasis Casino Management System. Las Vegas is the location of Aristocrat's North and South American operations. From this base, the company supplies products to casinos, casino-hotel resorts and racetrack-casinos.
