

Aristocrat is Ready for G2E Asia with Best Line-up of Games Ever

MACAU, China (26 May 2011) – [Aristocrat](#) has been leading the gaming industry in the Asia Pacific region for decades. At this year's [G2E Asia 2011](#) Aristocrat will showcase an exciting line-up of new games and new game categories, all to help operators give their players the greatest gaming experience in Asia every day.

Aristocrat General Manager Asia Pacific David Punter said, "This is the most exciting, most diverse product offering we have shown at G2E Asia in years, and operators and players have every reason to be very excited."

A range of new titles displayed on our new Widescreen Viridian™ cabinet include Dragon Emperor™, Dragon Empire™, Peeking Duck™, Tiger Garden™, Choy Sun Doa™ and Fortune Fantasy™ as well as the grand return of a long-time player favorite, Mr. Cashman™, now starring in the all-new Cashman Fever™. One of the main attractions will be Aristocrat's 50 Dragons™ the "Best Stand Alone Slot for 2011" and FA Fafa™, the "Best Progressive Slot in 2011", recently awarded to Aristocrat by the readers of Inside Asian Gaming.

Aristocrat will reveal four exciting new game categories: Mega Pay™, Remix™, Win Your Way™ and Drag 'N' Drop Wild™.

- Mega Pay™. In this unique game series, one game can become four games. Games include More Hearts™, Gazillions™ and Fortune Firecracker™.
- Remix™. Showcases Aristocrat's unique shuffle feature where symbols or reels are rearranged randomly on the screen to award additional shuffles and wins are awarded. Don Quixote™ and Dragon Emperor™ are the first products in the Remix category.
- Win Your Way™. A completely new game category that allows players to choose their volatility. Players can choose one of three volatility levels; Low (Green), Medium (Yellow), and High (Red). With user friendly buttons and onscreen images, players have the freedom to choose their winning experience. Win Your Way™ is available on Big Sky™ and Captain Cutthroat™.
- Drag 'N' Drop™. For the first time players can choose their WILD position and multiplier options during the feature with the innovative Drag 'N' Drop™ functionality. During the Drag 'N' Drop™ Wild Feature, players drag the WILD onto any symbol position on reels 2 to 5 to receive different multiplier options. Drag 'N' Drop™ is available to experience in Imperial House™.

Powered by the GEN7™ platform, all new games feature on the VIRIDIAN WS™ that provides players with 24 per cent more graphics area, high resolution graphics, enhanced stereo sound and is an example of how Aristocrat is leveraging the latest technology to deliver a more dynamic player experience.

Aristocrat will also unveil a wealth of innovations at G2E Asia, show casing new Nteractiv™ LCD programmable button technology, which will be utilised with the company's future product range and Wealth Capital Bonanza™, Aristocrat's first new community and tournament game. Asian themed games also get a new and innovative spin with Aristocrat's exclusive Xtreme Mystery™ and the newest product in the category, Dragon Riches™.

Mr Punter concluded, “Aristocrat is dedicated to maintaining its market leadership in Asia and looks forward to releasing more games leveraging the latest technologies and tailored specifically to the region in coming years. Aristocrat recently secured the majority of slot machines in the main gaming floor of Galaxy Macau™, this is the highest market share of any casino opening in Asia and is a testament to our commitment to ensuring our products meet the needs of local operators and players.”
